## A.I. duPont Hospital for Children

Wilmington, DE  
Shoemaker Construction Co.

A.I. duPont Hospital is tripling the size of its pediatric cardiac and neonatal intensive care units, without interrupting care for its tiny patients. Phase I involves removing the exterior wall and building a 15,000 SF addition. Phase II involves renovating the original 7,500 SF space, including nurses' stations, exam rooms and patient beds. Access to occupied areas is maintained throughout construction, and every care is taken to minimize impacts from dust, noise and vibration.
